

# WJC raise money for Mary Stevens Hospice & May Wills Month

---

Wall James Chappell have again partnered up with local charity Mary Stevens Hospice to support their "Wills Month" in May 2018. This follows on from the November Wills Month where WJC raised over £2000 for the charity.

The May Wills Month is now underway and if you require more information or would like to book an appointment, please call 01384 377 778. More information is also available [here](#).

Alex Winstanley of Mary Stevens Hospice said "Once again, it's fantastic that so many people have seen the opportunity to support our families by doing something which is so vital as making a Will, and we're indebted to Wall James Chappell for their ongoing support, hard work and generosity in providing this service for us. Wills Month has proved to be a hugely popular initiative with the local community, both Hospice supporters and individuals we'd never met before. The support we receive from Wall James Chappell and the money raised during Wills Month make the most remarkable difference to the care we're able to provide for families relying on us in the future.

James Rousell, Partner at WJC said "It is great to support Mary Stevens Hospice. In November, we were able to raise almost £2000 for the charity. We are hoping to raise a similar amount and possibly more in May. Making a Will is extremely important and we would always advise people to take proper advice from a legal professional when writing a Will. Wills Month allows us to offer this advice and at the same time raise vital funds for Mary Stevens Hospice."
